John A. Hensley for Judge  
John A. Hensley of Gasconade  
township announces this week  
as a candidate for county judge  
from the south district. He is  
too well known throughout the  
county to need any introduction  
to our readers. He is a life long  
Republican and has resided in  
this county 50 years. He served  
four years as sheriff of the coun-  
ty and has been a member of the  
Republican County Central Com-  
mittee from his township; for 31  
years continuously he has  
been clerk of his home school  
district, High Point. He is a  
tried and true man, and one em-  
inently qualified to discharge the  
duties that fall to the lot of a  
member of the county court, and  
his friends predict for him an  
unusually heavy vote. A man  
who stands so high with his  
neighbors as does John Hensley  
is surely a good man to elect to  
office of trust and responsibility.

Coming to Hartville  
The Associated Doctors  
SPECIALISTS  
Will Be At Hartville  
At Archer's Hotel  
On Monday, May 20th  
FOR ONE DAY ONLY  
Wonderful Results—Marvel-  
ous Demonstration in  
Chronic Disease Cases  
by Their New Sys-  
tem Treatment  
Offer Services Free  
of Charge

Word has just been received  
that the Associated Doctors,  
specialists, licensed by the state  
of Missouri, and who have met  
with such phenomenal success  
throughout the entire South,  
will be in Hartville on Monday,  
May 20th, for one day only, to  
demonstrate their new system  
of treatment of chronic disease  
cases.

This will indeed be good news  
to those who find it inconvenient  
to visit the central laboratories  
in Philadelphia, Pa. These regu-  
lar, reputable physicians be-  
lieve that the combined skill of  
several trained specialists in  
chronic disease cases can accom-  
plish more than one doctor alone  
—in other words, in unity there  
is strength.

The offer to treat all who call  
on this visit absolutely free, is  
their original method of getting  
the public quicker, and no one,  
rich or poor, white or colored,  
should neglect to take advantage  
of their very liberal offer—AB-  
SOLUTELY FREE (medicine ex-  
cepted). No cutting—No knife.

It makes no difference how  
many doctors you have consulted  
or how many patent medicines  
you have taken, you can not af-  
ford to miss this opportunity of  
ascertaining your exact condi-  
tion and be honestly advised.  
No one should require further  
evidence of the skill of these  
specialists, than the following  
letter recently received from a  
well known Baptist minister:

"I can't thank you enough,  
Doctor," said the Rev. R. L.  
Fletcher, well known minister,  
as he entered the crowded re-  
ception rooms of the Associat-  
ed Doctors, and continued to  
speak words of praise to all those  
assembled. "I began suffering  
from general break-down Novem-  
ber 28th, last, and appeared to  
go all to pieces: my stomach,  
kidneys, heart, blood and nerves  
went back on me, and even tho  
I consulted the best local doctors  
they finally had to advise me that  
they could give me no cure, and  
for me to consult an expert  
specialist. As soon as I noticed  
your announcement and learned  
from so many people of your  
cures, I came to your office.

"I had indeed about lost hope  
but today—even after taking  
your marvelous treatment for  
only this short period; I am a  
new man; eat well, sleep well  
and feel like a man in my prime,  
I want to thank you, and my  
dear wife also wants to thank  
you, for she is so proud of my  
improvement. I want you to  
publish this statement so that  
others can benefit the same as I  
have.—Most gratefully yours,  
(Signed) "R. L. FLETCHER."

Now that you know the truth,  
you have only yourself to blame  
if you continue to suffer from  
Piles, Kidney and Bladder Trou-  
bles, Discharges, Bed Wetting,  
Blood Poison, Skin Eruptions,  
Rheumatism, Epilepsy, Uric Acid  
Poisoning, Paralysis, Nervous  
Troubles and Debility, Neuralgia,  
Stomach and Liver Trouble, Cat-  
arrh, Asthma, Bronchitis, Pleu-  
risy, Tumors, Indigestion, Con-  
stipation, Gall Stones, Ovarian  
and Female Troubles, Enlarged  
Glands or any reflex condition  
of the nervous system, and those  
diseases about which most peo-  
ple dislike to consult the general  
practitioner.

Bear in mind that this will  
likely be the last visit when the  
specialists extend their services  
FREE.  
Hundreds have been restored  
to their perfect good health, with  
rosy cheeks and sparkling eyes;  
so may you. The specialists are  
too well known throughout the  
State to require further mention.

Married women should be ac-
